

LEGACY RACE

Battling Breast Cancer

5K • HIKE • WALK
& BEER GARDEN

22 JUNE

WHAT

Legacy Race BBC is a non-profit dedicated to raising funds for the support of men and women in Southern Colorado with breast cancer and who are at risk of breast cancer.

WHO

We are run by passionate Colorado Springs volunteers with experience in organizing and leading walks/races in our community.

HOW

Legacy Race, after a thorough review process of requests, will grant funds to nonprofits that provide services needed by people in Southern Colorado with or at risk for breast cancer.

WHERE DOES IT GO?

Money raised will go directly back into Southern Colorado benefiting those with breast cancer and their families (**75%**) and towards ongoing research in Colorado that impacts the future of breast health in our area (**25%**). Donations to and sponsorships for the Legacy Race BBC are under the umbrella of the Norris Penrose Legacy Foundation, an accredited 501(c)3 – number 86-3390659.

EVENTS

Our 5K walk/run will be at Norris Penrose on June 22 at 9am, followed by a beer garden. Other smaller events will be on our website and socials.
